# HOMEPAGE

## Start of SIGNUP process

A screenshot of a web browser displaying the 'Sign Up' page. The browser's address bar shows the file path 'C:/Users/lu/final%20project\_echoes%20of%20today/signup.html'. The page has a light gray background. In the center is a white card with the title 'Sign Up'. Below the title are three input fields: 'Username', 'Email', and 'Password'. Below these fields is a blue button labeled 'Sign Up'. Underneath the button is a horizontal line with the word 'OR' in the center. Below the line are two buttons: 'Sign up with Google' (with the Google logo) and 'Sign up with Facebook' (with the Facebook logo). At the bottom of the card is a link that says 'Already have an account? Login'.

User **LOGINS** if the user already has an account

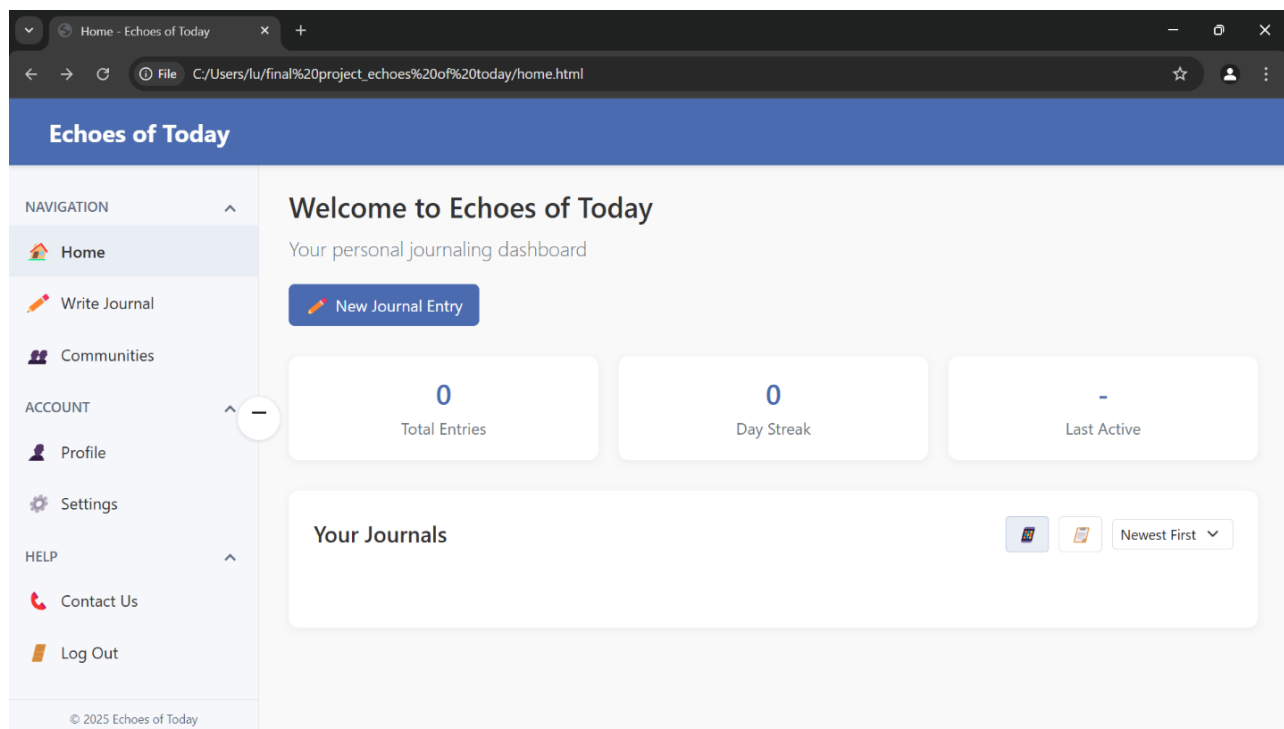

The screenshot shows a web browser window with the address bar displaying the file path: C:/Users/lu/final%20project\_echoes%20of%20today/login.html. The page title is "Login". The login form is centered and contains the following elements:

- Input field for "Username or Email"
- Input field for "Password"
- Link for "Forgot Password?"
- Blue "Login" button
- Separator line with "OR" text
- Buttons for "Login with Google" and "Login with Facebook"
- Link for "Don't have an account? Sign Up"

## HOME

User can see here the list of is/her written journals

The screenshot shows the home dashboard of the "Echoes of Today" application. The page has a blue header with the title "Echoes of Today". On the left is a sidebar navigation menu with the following items:

- NAVIGATION
  - Home (selected)
  - Write Journal
  - Communities
- ACCOUNT
  - Profile
  - Settings
- HELP
  - Contact Us
  - Log Out

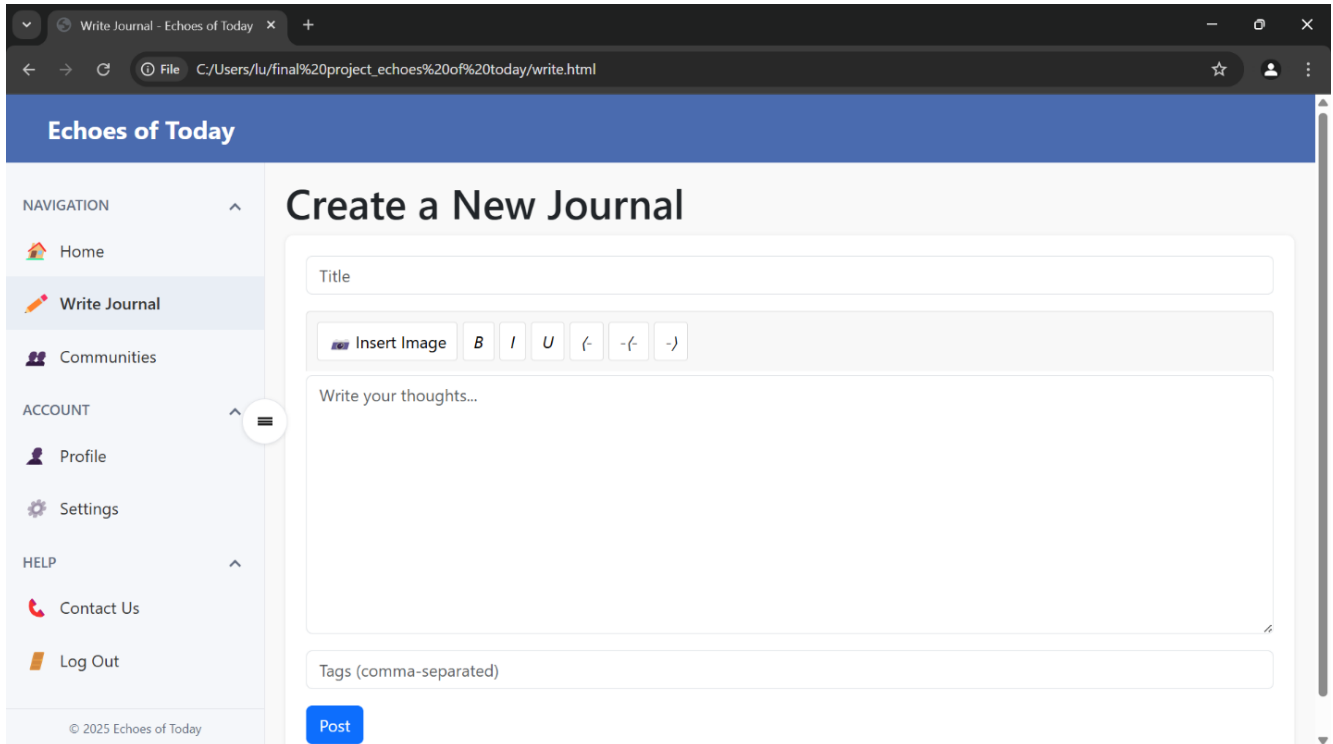

The main content area features a "Welcome to Echoes of Today" message with the subtitle "Your personal journaling dashboard". Below this is a "New Journal Entry" button. A summary section displays three statistics:

- Total Entries: 0
- Day Streak: 0
- Last Active: -

Below the statistics is a section titled "Your Journals" with a dropdown menu set to "Newest First". The footer shows the copyright notice: "© 2025 Echoes of Today".

# WRITE

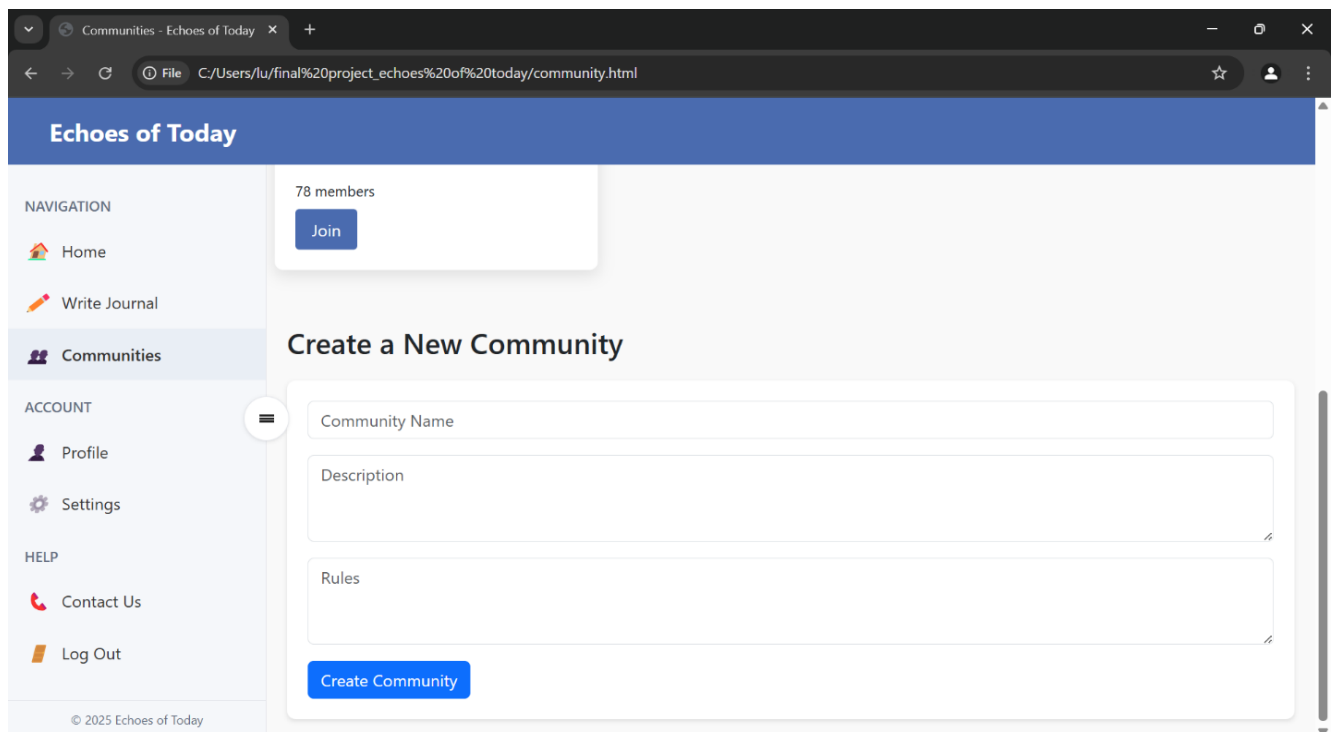

User will write here his/her thoughts and idea. The user can also attach an image for that journal.

The screenshot shows a web browser window with the address bar displaying the file path: `C:/Users/lu/final%20project_echoes%20of%20today/write.html`. The page has a blue header with the text "Echoes of Today". On the left, there is a navigation sidebar with the following items: "NAVIGATION" (Home, Write Journal, Communities), "ACCOUNT" (Profile, Settings), and "HELP" (Contact Us, Log Out). The main content area is titled "Create a New Journal" and contains a form with the following fields and elements: a "Title" input field, a toolbar with an "Insert Image" button and formatting buttons for bold (B), italic (I), underline (U), and text color (a box with a dash and a color swatch), a large text area with the placeholder "Write your thoughts...", a "Tags (comma-separated)" input field, and a blue "Post" button. The footer of the page shows the copyright notice "© 2025 Echoes of Today".

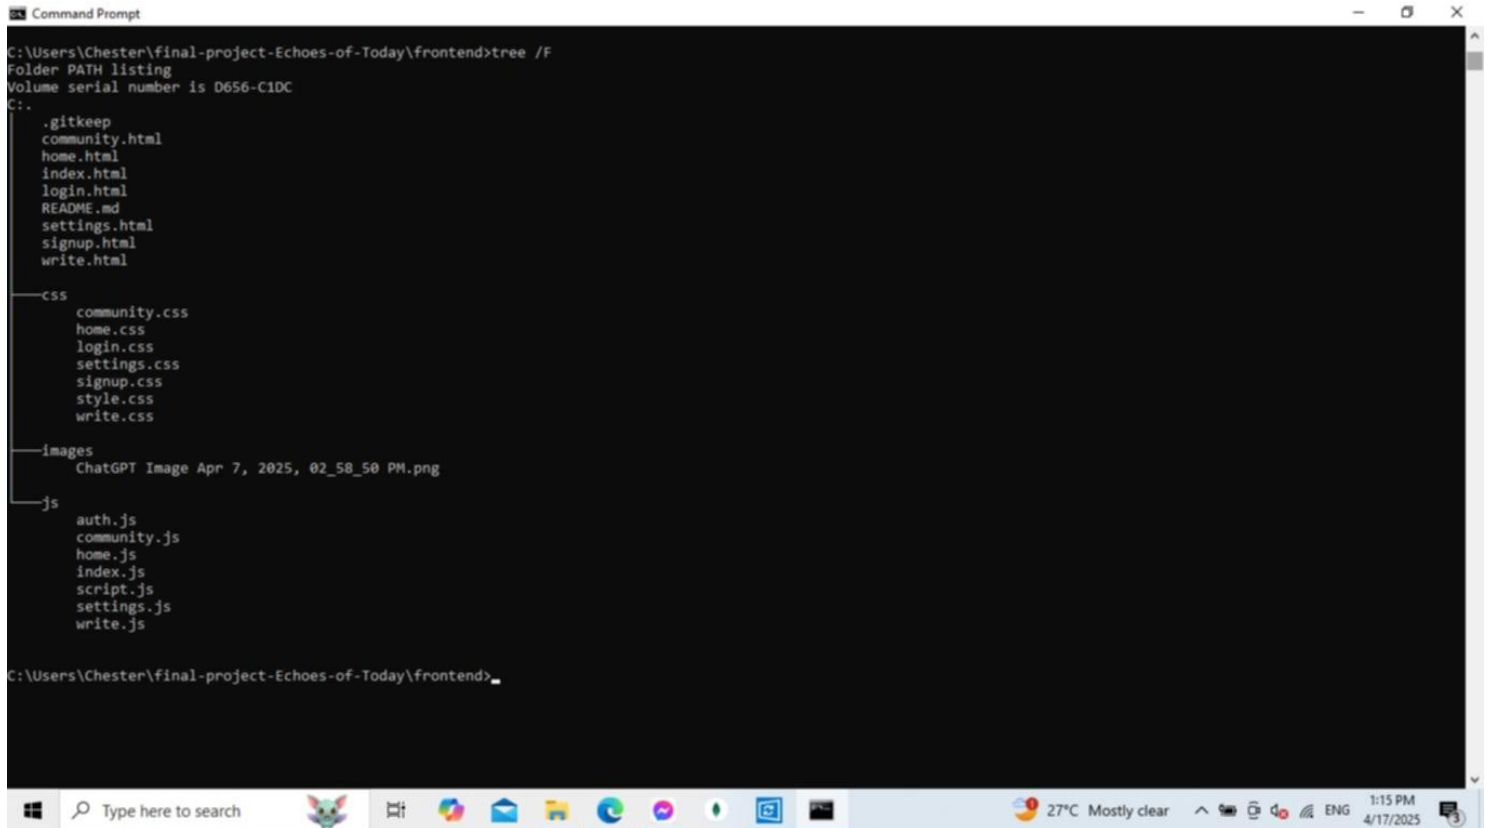

# COMMUNITY

The user can create or join community and also set rules

The screenshot shows a web browser window with the address bar displaying the file path: `C:/Users/lu/final%20project_echoes%20of%20today/community.html`. The page has a blue header with the text "Echoes of Today". On the left, the navigation sidebar is the same as in the previous screenshot, but the "Communities" item is highlighted. The main content area is titled "Create a New Community" and contains a form with the following fields and elements: a "Community Name" input field, a "Description" text area, a "Rules" text area, and a blue "Create Community" button. Above the form, there is a box indicating "78 members" and a blue "Join" button. The footer of the page shows the copyright notice "© 2025 Echoes of Today".

# Screenshot of GitHub folder Structure

The screenshot shows a Windows Command Prompt window titled "Command Prompt". The command executed is `tree /F` in the directory `C:\Users\Chester\final-project-Echoes-of-Today\frontend`. The output displays the folder structure of the repository, including HTML, CSS, JavaScript, and image files. The taskbar at the bottom shows the Windows search bar, taskbar icons, and system tray information including temperature, weather, and time.
